The Honorable John Carter
John Carter for Congress Campaign
716 Rock Street
Georgetown, TX 78626

Dear Representative Carter,

I believe the constituents of District 31 deserve an opportunity to hear from their candidates for Congress in an open and public forum. To that end, I'd like to extend an invitation to you to debate on Tuesday, October 21 at 7pm (place to be determined).

The debate would be an opportunity to discuss many of the issues important to the constituents of this District and to address their concerns. While the location is still to be determined, I commit to holding the debate on neutral territory, such as a school campus somewhere within the District.

My campaign manager, April Shapley, can be reached at 512-686-4257 and will be coordinating the details of the debate for my campaign. Due to the limited amount of time before Election Day, I would appreciate hearing from your office by Friday, October 10, 2008.

Sincerely,

Brian P. Ruiz
